

Sacramento, January 8, 2022

To My Patients,

With deep regret, I am writing to inform you that, after careful deliberation, I have made the difficult decision to consolidate my Dental practice to the Davis, CA location and to close the Sacramento office, effective January 8, 2022.

It has been a wonderful privilege to provide dental care to all of you the last 33 years. You are not just my patients but truly part of my extended family. Many of you have travelled from far away to see me, and I enjoy the memories provided by having you as my patients.

I will continue to take care of any of your dental need/emergency for the next 30 days, until February 8, 2022. I will also be happy to continue providing dental care to you at my Davis location if you would like me to do so.

I also understand your need to seek a local provider instead, and please consider the following information:

1. Sacramento District Dental Society for a referral in your area.
Phone: (916) 446-1211.
2. Cindy Stuart, DDS.
Work: (916) 929-0999
3. Nha-An Andeline Nguyễn, DDS.

Postscript:

Thank you for trusting me and for making my dental journey a memorable, challenging and fun one.

Keep brushing "all your teeth" twice a day, floss once a day and see your dentist regularly.

Remember you only have the teeth that you want to keep.

I will miss you dearly.

Best wishes!

Sincerely,

Angeline Lam, DDS, FICOI
