The Use of Secure Electronic Communication

Except for appointment reminders, we use secure methods to electronically communicate with our patients. Unencrypted email is not a secure form of communication. There is some risk that any individually identifiable health information and other sensitive or confidential information that may be contained in such email may be misdirected, disclosed to or intercepted by unauthorized third parties. However, you may consent to receive unsecured email from us regarding your treatment. We will use the minimum necessary amount of protected health information in any communication. Our first email to you will verify your email address.
